Single phase AC current

- 110 V, specialised data available on request
- 60 Hz
- Frequency of nominal current 5 A
- Power consumption 0.78 kW

Blade diameter

- 9.84" (250 mm)

Max. produce size

- 11.8" x 5.9" x 15" (W x L x H)
(300 x 150 x 380 mm)

Slice width settings

- 0.12"-1.2" (3-30 mm)

Slices per minute

- 80 Slices

External dimensions

- 37.4" x 26" x 17.7" (W x L x H)
(950 x 660 x 450 mm)

Protection type

- IP 31

Weight of machine

- 110 lbs, 50 kg

Additional equipment

- Stainless steel stand

Packing case

- 42.5" x 32.3" x 25.6" (W x L x H)
(1080 x 820 x 650 mm)
- Weight: 35 kg

Stainless steel stand

Warranty

The BRS 38 carries a one-year, on-site parts and labor warranty against any flaws in materials and workmanship. This period begins with the date of purchase and, provided the unit is used properly in accordance with our instructions, is in full effect for one year from that date. Any work to be performed under this warranty must be performed between the hours of 8:00 a.m. and 4:30 p.m. local time, Monday to Friday. Bizerba will not pay overtime charges for work performed other than during normal business hours. Accessories have a 30-day replacement or repair warranty for the period beginning on the date of purchase. Damages incurred in transit or from installation error, accident, alteration or misuse are not covered. Transit damages should be reported to the carrier immediately. Bizerba shall not be liable for any consequential, compensatory, incidental, or special damages. All warranty work must be performed by a factory authorized Bizerba Representative.
